

Bud February News

The Buds had a “**Jungle Adventure**” in January! Our featured book was “Panda Bear, Panda Bear, and What Do You See” A new word that we learned was “**endangered**”. As we read the book Charlie said “there’s not very many of them”.

Bud imaginations went **wild** when the Buds made a train out of our chairs and climbed aboard to travel the endangered animal jungle. On their trip they pointed out all the animal art they had made throughout the room. Jack said, “I see monkeys swinging in a tree” Leonardo found the pandas and said “panda bears eat bamboo” Kaili pretended to take pictures of the animals. It was a very entertaining trip.

Music and Movement was very fun this month as we learned a new monkey song and danced like jungle animals as we sang. When the music begins Cash jumps up and says “Rock n Roll”!

In February we will read one of my favorite childhood books “**The Pokey Little Puppy**” by Janette Sebring Lowrey. I know the Buds will love it too. Using this book we will be working on counting, sequencing, and building our vocabulary. Our home center will transform into a veterinary clinic and we have many fun activities planned for our Buds. We will also incorporate Valentine’s Day in this very busy month. If you would like to bring in Valentines, we would appreciate it if you would:

- Only write From: your child as this makes it easier for the Buds to distribute
- No candy please
- We have 25 children

Happy Valentine’s Day
