## Sprout Too News

In June, the Sprouts went **Under the Sea!** Handprint crabs, colorful sea horses and silly jellyfish! During circle time, we played the fishing game. **Parker** liked to pick the orange fish and **Soren** liked the blue fish. They all learned very quickly how to use the fishing pole! This game was a hit! Finger painting green sea turtles was a mess, **Kellen** and **Knox** enjoyed this project! Splashing in the water table was tons of fun! **Adelyn's** favorite part was playing with the toy fish! **Boden** liked the toy boats! **Teagan** got to know many sea animals. She named them all in our circle time book. She loved the baby sea lion! **Decker** always pointed out the sharks!

This month **“Fun in The Sun”** is our theme. We will paint yellow suns, make sand castles and watercolor kites! Just to name a few! Circle time books are “Down by The Bay”, “Corduroy Goes to The Beach”, and “Summer Time.”

If you have an extra swim suit for your child please bring one to leave in their cubby. It will be handy since we will play in water a lot outside this summer. Also, friendly reminder to not bring in toys from home. It is causing problems between the children and we don't want things to get lost. Blankets and one stuffed animal for nap time. We would also appreciate it if children could finish any breakfast food from home before entering the classroom in the mornings. We serve Growing Tree breakfast around 8:15am.

Thank you and have a wonderful month of July!

Stay cool! 😊

Ms. Kelcy and Ms. Kristine
