Sprout Too News

Welcome to Sprout 2! As we begin the fall season, we will focus on independence, but at their own pace. Our day is filled with free play, gross motor activities and art projects. As Growing Tree teachers, we strive to create bonds with each child while we provide a positive and safe space for everyone to grow, learn and play.

Each child has a file folder right outside of our room. In this file you will find important paperwork, as well as your child's artwork. We also provide a daily sheet that will let you know how your child's day was and if they may need anything like diapers, wipes or extra clothing.

Last month was all about The Zoo. **Teagan** loved to carry around the small animals. Her favorite was the tiger! **Knox** and **Kellen** enjoyed coloring their alligators green with markers. During sensory play **Adelyn** like playing with shaving cream! It was messy and fun! You can catch **Boden** on the trike outside! He knows to get his helmet before going for a ride!

Sawyer, Nick and **Riley** are joining us from the Big Seed room! We are looking forward to getting to know them and their families!

Our September study will be **ABC'S** and **123'S**. Art projects will include painting yellow school buses, friendship painting, and number art. During circle time we will sing songs including, "The Wheels on the Bus," "ABC's," and "The Days of the Week." Our books will be "An Apple a Day," "Lama Misses Mama," and "If You Take a Mouse to School."

On Fridays we ask that you please take your child's blanket home to be washed. Please feel free to call us anytime and/or stop by!

Have a happy month of September! 😊
