April, 2018

Hip Hip Hooray!!!! Spring is here and the sun is shiny and warm. Hopefully it will stay that way. It will be nice when we can put away all the winter gear and get out our cooler clothes and not so big coats.

In March we had a great time **Down on the Farm**. We read books about what animals were on the farm and the sounds they made. Also we sang about the farm animals. **Eleni** loved singing "Down on Grandpa's Farm." She would make all the animal sounds and then tell her friends "I did all sounds." Everyone is doing a great job with our safety poem. Throughout the day you can hear them say "Remember keep safe." As circle time gets over you could hear **Chloe** sing all the circle time songs to her babies.

At art we made animals and things you see on a farm. **Ellie** really enjoyed painting and coloring the farm animals. When she was done with her art would say "I did it. Pretty." One of the activities that we did at art time was farm animal washing. **Emmett** got very excited as he was washing the animals. He told his friends "I was in warm not cold water." **Alex** also enjoyed this activity. As she was playing in the soapy water she would say, "Bubble, bub."

Throughout the room we had many farm things on the shelves and the sensory bin. When **Cash** saw all the farm animals and tractors he got a big smile on his face and said "Papa big tractor." **Meera** had fun playing with the farm animals. She would pick up the animals and make their sound. She picked up a pig one time and said "This pig moo. Oh no I did wrong, it go oink." She is so silly. **Owen** enjoyed building with the farm blocks. He would make a tower, knock it down and say "Ohh." **Reese** had a great time digging in the sensory bin. She would dig through the Easter grass, find a farm animal and tell us, "Wow it's a cow and it go

moo.” It was a fun filled farm month and we can’t wait to see what fun adventures April will bring.

In April we will be celebrating spring. There will be lots of spring activities and many, many spring projects. Some of the crafts we will be making are birds in a nest, spring flowers, rainbows and much, much more. At circle time we will be singing about spring and reading about all the things that happen during springtime. During room activity time we will be playing with spring flowers and other spring things. We are all hoping that the sun will be shining lots and it will get warmer so we can watch the trees bloom and listen to the birds outside. It is going to be a fun filled spring month.

Just a few reminders:

On April 13th we will be having our spring conferences. There will be no school that day, and a signup sheet will be posted up front at the first of the month. Please make sure to sign up, it will give us a chance to talk without all the little Sprouts running around. Also, please make sure to check your child’s file nightly. We put their daily reports in there and any art that doesn’t get hung on the wall. At the end of the month those files get very full when we are pulling art work off the walls. Also if you have any plastic grocery bags we really, really need some. We are running low in both Sprout rooms. Thank you and we hope you have a great April and spring!

Teresa, Amy and Nana Julie
