

Seedlings May Newsletter

It seems as though Spring has finally arrived, yay! We sure are looking forward to getting outside and enjoying our playground more and more! Please be sure to bring the proper summer attire for your baby including sunhats and sunscreen (if your child is 6 months old), and shoes (especially if your child is mobile). We will give you a sunscreen form for you to fill out also. April has come and gone so fast and the Seedlings are constantly changing and meeting new milestones!

Luke started walking in April and is constantly on the move! He continues to be interested in everything! He loves playing outside with the older kids and exploring anything new!

Eaven has settled in very nicely and is a quite an independent little girl. She loves to visit her big kid friends next door and also has been enjoying time on the big playground outside. She loves to dance to the musical toys and has started saying more and more words. It looks like she is also pretty close to walking!

Jackson ("JJ") is crawling all around now and has started to pull up on things as well. He really loves his new tricks and is exploring the room in all sorts of new ways!

Lucinda ("Lulu") has also been crawling all around the room! She loves waving to all her friends throughout the day and is also pulling herself up.

Lillian has been doing great with sitting up on her own and really loves engaging with her friends and teachers. She has also loved trying new solid foods!

Theodore ("Teddy") has started to scoot around a bit and is also doing great with sitting up on his own! He has also loved starting solid food this month!

Ronin has been working hard on his sitting up and is doing great! He is super close to rolling over also!

Isabella ("Izzy") is full of smiles! She loves to sit outside in her chair, listen to the sounds all around, and feel the fresh air and on her face.

Please continue to keep labeling everything you bring in for your child, as well as dating any milk that you bring in! Happy Spring!!

Dates to remember: May 4th-First Friday. May 28th-Memorial Day, no class this day.

Ms. Jolene, Ms. Melanie & Ms. Koriena
