

# Sprout | News

Is summer as good for you as it is for us? We have all enjoyed playing in the warm sunshine, wiggling our toes in the sand and splashing in the water. Summer time truly is the best!

In July we experienced some great adventures **Under the Sea**. The Sprouts sang and read everything Under the Sea.

- **Owen** loved the book **"There was an old lady who swallowed a shell."** Every time she swallowed something he would say, "Oh no" and smile.
- **Eleni** would gather her puppy and sea animals to dance and sing around the room.
- **Emmett** and **Chloe** had fun with sea animals in the sensory bin. Emmett would scoop up the fish in the net and say "I dot one." When Chloe's net was full she would tell her friends "This very heavy."
- **Cash** let us know "we are going" when his boats and nets were filled with sealife
- **Reese** was our little song bird. Daily she would walk around the room singing "Waves in the sea go up and down. All day long."
- **Meera** had fun playing the fishing game. When she caught a fish on the pole she would jump up and down saying "I got it! I got it!" You could tell she might have been fishing before by the way she held the pole

Oh what fun we had outside! The temperature was just right to play in the water and sand almost every day.

- **Alex** loved the water table the most. She never left the water table and the sea squirters. When you walked by her she would say "I scurt you." She is so silly.
- **Ellie** loved wiggling her toes and body in the sand. It was common to hear her say "Love sand. Love sand." (can't you hear those waves hitting the beach while she is wiggling her toes?) We were wondering where our sand was disappearing to, now we know Miss Ellie!

It was a great July and we can't wait to see what exciting adventures await us in August.

Camping Rocks! That is where we will be in August enjoying our campsite. We will tell stories and sing around the campfire, maybe pitch a tent, and even tast a s'more or two! Yep Camping Rocks!

On Wednesday August 29<sup>th</sup> we would like to have a water day. If you could please bring in a bathing suit and towel it will make our water day especially fun.

# Sprout I News

Sadly this is our last month with our Sprouts. In September they will leave us for the Big Bud room. It has been a great year watching you all "sprout". You came into the room with few words, now you have complete conversations. You came in wearing diapers and are leaving wearing underwear! Yes you are ready to be Buds! We are proud of you!

We also need to thank you, our families for supporting your child and us in our partnership to support your child's growth and development. It has been amazing.

We wish you well, now go enjoy the Bud room.

Teresa, Amy and Nana Julie

## Dates to remember:

**August 3<sup>rd</sup>** - First Friday.

**August 29<sup>th</sup>** - Water Day (Be sure to send extra clothes).

**August 30<sup>th</sup> and 31<sup>st</sup>** - School Closed for Staff Meeting, Cleaning and Prep for new year.

**September 4<sup>th</sup>** - New school year begins.

Aug-18
