

SPROUT TOO NEWS

What is more fun than a summer picnic?! We ate snack outside, apple stamped and swished water in the water table. The water table was a big hit. It kept our Sprouts cool during the hot days of July.

- Jasper experimented with splashing water and also figured out how to suck up the water in a toy and squirt it back out. He likes to get wet.
- Aubrey loves riding the bikes around the playground, her balance improves every day.
- Vivian enjoys the home center, she swaddles her babies and feeds them from her kitchen. Those are well cared for babies.
- Hunter enjoys playing with the stacking blocks. He laughs when the tower gets to high and it topples all around him.

August is our last month as Nick, Riley, Knox and Sawyer's teachers. In September they will be Buds! We will always remember

- Nick's sense of humor. He kept us laughing. He also has such a love for music, we will miss his singing. He have been a joy to have in our class! Thanks Nick!
- Riley's determination. She really blossomed in the Sprout Room. Little miss independent can do a lot on her own. She amazes us! Thanks Riley!
- Knox's imagination. Whether he was crawling around saying he was a rainbow kitty or pretending to drive daddy's truck to swim lessons, he brought a sense of magic that everyone caught on to! Thanks Knox!
- Sawyer's need to work! He loved to play with the toy vacuum and use the brooms outside. He even helped shovel snow. We enjoyed watching him grow into who he is today! Thanks Sawyer!

In August our study will take us to the ZOO! Lions, tigers and bears oh my! We will enjoy reading "Goodnight Gorilla", "Put me in the Zoo" and "Dear Zoo." We will also use our voices to sing, "Five Little Monkey's", "We're going to the Zoo" and "Let's go to the Zoo." Check our monthly calendar for daily activities.

Thank you all for coming to the annual Growing Tree BBQ! It is always great to get together and celebrate!

Have a great month and Stay cool!
