

Sprout Too News, September, 2018

Welcome to the Sprout Too room! Here is some information for you as we begin the fall season. Introductions; co-teachers for the room will be Ms. Kristine and Ms. Kelcey. Together we will focus on teaching the children independence, but at their own pace. Our day is filled with free play, gross motor activities and art projects. As Growing Tree teachers, we strive to create bonds with each child (and their families), and we provide a positive and safe space for everyone to grow, learn and play.

Each child has a file folder right outside of our room. In this file you will find your child's art projects and other important paperwork. On Fridays we ask that you please take your child's blanket home to be washed. We also provide a daily sheet that will let you know how your child's day was and if they may need diapers, wipes or extra clothing. Please feel free to call us anytime and/or stop by if you ever have any questions or concerns.

Joining our class this year from the Big Seed Room is, Charlotte, Sage and Sawyer. Along with "ole timers" we have a family that is new to Growing Tree, and we welcome their son, Liam! We would like to say welcome to our class and we look forward to getting to know each and every one of you!

In the month of September our theme is Chicka, Chicka Boom, Boom. We will be doing ABC's and 123's along with much more. As part of our growth in the Conscious Discipline curriculum Growing Tree has initiated, we will be practicing mindfulness with our little ones. Simply, these are exercises, (breathing, and/or movements) that will help all of us to re-focus, get and remain calm. We also will have a Family Board in place, so please bring a family photo that we can have in our classroom.

Thank you,

Ms Kristine and Ms Kelcey
