

Seedling Newsletter October 2018

Everyone is really settling in nicely in the Seedling room! We have been enjoying getting to know your new little ones that started in September, and all the babies have been having wonderful days! Please let us know how you feel about your child's schedule and if it is working for them (and you), both here and at home. We are always happy to make any adjustments if you think something may work better!

This month we welcomed **Quinn, Eleanor, Archer, Saylor** and **Aubree**. **Quinn** has given us lots of smiles and is very curious about his new environment, and loves to look around! **Eleanor** is very stimulated in her new environment, so after being awake for a bit, she loves to take very long snoozes! **Archer** is a very hungry guy and likes to hang out under his gym and really loves the fresh air outside! **Saylor** is a strong little lady who is really close to sitting up unassisted and is also persistent on trying to move all around on the floor! **Aubree** is a sweet little girl who loves hugs and is always giving out smiles and laughs to her teachers and friends!

Izzy, Ronin, and Teddy are now the bigger kids in the class. **Izzy** is such a happy and mellow little gal who is always so happy to be around her friends and teachers, and shows us by her adorable smiles and claps! **Ronin** is all over the place and interested in everything! He loves to pull up on everything, push things around, open and close things; you name it and he likes it! **Teddy** has been spending as much time as he can in the Big Seed Room, getting ready for his move up in October! We will miss you Teddy, but we know you will do great as a Big Seed! Great work everyone! We are also happy to welcome **Clover** and **Brynley** to the class in October!

Pictures are coming up October 4th and 5th (and the photographer is amazing)! Forms were sent out online, or you can pick one up at the front desk. We ask parents to NOT bring babies in their picture clothes, but instead to bring in what you would like them to wear in a bag labeled "picture clothes". We will be happy to change and groom them when their time comes. If you really want shoes let us know, but they usually prefer to do all the kids barefoot. There will also be a class picture scheduled and even if it is not your baby's day to come to school we would love to have them stop in so they can still be in the picture! The front desk will have a schedule set up as it gets closer so you know when to be here.

Please continue to label all of your child's belongings, especially breastmilk with child's name and date pumped! As the weather starts to get cooler, please make sure your child has the appropriate clothing (ie. hoodie/light jacket, socks, shoes, hats, etc.) so we can go outside

and enjoy the nice fall weather! We also recommend taking home your child's sleep sack at the end of their week to give it a wash in order to help keep things clean! Also, if you haven't had a chance to bring in a family photo yet, no worries, but when you do we will be happy to add it to our Family Wall!

Thank you!

Sincerely,

Ms. Jolene, Ms. Melanie, Ms. Korinea
