

Sprout 1 News

Brrr, baby its cold outside! Please make sure your Sprout has a warm coat, hat and gloves. The weather has been especially cold in the mornings, and it is only going to get colder; please help us to keep your little ones as warm as possible. Thank you! Thank you to all the parents that were able to make conferences. It was great being able to talk with you, and answer any questions that you had.

In November, if you had walked in the room, you would have heard all the roars and stomps of the little Sprout dinosaurs! All the children enjoyed the books, songs and activities we did during this past month. At circle time we read about dinosaurs and sang a few roaring dinosaur songs. **Abby** would get very excited when we read the dinosaur pop-up book; and she would roar as we got to the end of the book! **Owen** liked to roar while reading the books and singing the circle time songs. By the end of the month he would point to one of the dinosaurs and say, "That's a Triceratops."

In the classroom we had many different dinosaur activities on the shelves and dinosaur costumes in the dress-up area. **Gabriel** liked to go to the block area and line up all the big dinosaurs on the shelf. When he had them all lined up, he would roar and roar. **Hunter** would sit on the floor and put all the dinosaur puzzles together. When she had them all finished, she would tell us, "Dino. Roar." **Emma** would stomp and roar all over the room. When we asked her if she was a dinosaur, she would tell us, "Yeah, big." Our new friend **Miles** had a great first month! He really enjoyed all the dinosaur activities, and he would take the little dinosaurs, put them in the truck, and then drive them all over the room.

In our sensory bin we had dinosaurs and eggs. **Shaylie** would put the dinosaurs in the eggs and then roar very loud! When she was done roaring, she would smile and clap. **Dominick** enjoyed wearing the dinosaur costumes in the dramatic play area. He would walk around the room roaring, and then tell us, "I stomp, stomp." As a special treat, Ms. Amy took all the Sprouts who were in dinosaur costumes for a little 'stomp' around the school. They had a lot of fun, and all the spectators thought they were very adorable.

Sprout 1 News

We also brought the dinosaur theme outside. **Aerix** liked to take the big dinosaurs, put them in the car, and then give them a ride around the playground. If you came onto the grass area you could hear lots of roars. Natalie would stomp all over the grass and sing as she was stomping. When she was done stomping, she would look at the teachers and say, "I done." She is such a silly dino.

December will be a month full of **Holiday Magic**. We will be reading about the holidays and singing holiday songs. We will also be practicing our songs that we will be singing for the Holiday Sing-Along. At art time we will be making many magical holiday projects and having holiday dress-up in the dramatic play area. In the sensory bin we will be exploring many holiday textures. So many great adventures await us in December!

If you have any questions or concerns, please feel free to come talk to us. Unlike the sprouts sometimes we do have great listening ears. Have a wonderful December and holiday!

Teresa, Amy and Nana Julie

Reminders:

- 📅 Friday, December 2nd- First Friday.
