

Sprout Too News

April

Hello everyone! I hope you enjoyed the month of March; I know that the children had fun learning about things, down on the farm. We talked about all the animals, and all the different sounds they make! **Eaven** had fun making the cow noises, while **Luke** liked to make the sound of the sheep. They also enjoyed story time. **Whit** and **Sawyer** really liked the book that made all the sounds of the animals. The children also had fun playing outside in the snow. **Liam** and **Kailiana** loved shoveling all the snow, **Sage** liked climbing up on the snow hills, and **Charlotte** liked sliding down!

In the month of April, we will be talking about and learning about dinosaurs. We will be reading, How Dinosaurs Eat Their Food, I'm a Dirty Dinosaur and much more. For art we will be making a T Rex, Triceratops and a long neck dinosaur! Make sure you stop and look around our room to see all the wonderful art that we will be doing. Some of the songs that we will be singing are, "Here he comes, from afar, here comes daddy dinosaur", and "There is a dinosaur knocking at my door"

Reminders:

- April 5th- First Friday
- April 12th-Growing Tree Closed for Parent/Teacher Conferences (sign-up sheets out soon).

Thank you,

Ms. Kristine and Ms. Kelcy

Apr-19

Dinosaur hear me roar!
