

Sprout Too News

Last month the sprouts practiced their “**ABC’S** and **123’S**. Everyone loved counting to ten during circle time! It was fun to watch them try to count on their fingers. They’re all getting pretty good!

Finn and **Lincoln** liked apple stamping with real red apples. I think at first they weren’t sure if they should eat the apple or actually use it for the art project. During art we made a friendship painting. Everyone made their own design on one big sheet of paper.

Elizabeth said, “Look, mine is all yellow and **Andie’s** is green!”

Mason is really starting to enjoy being in our class. He loves to ride bikes outside!

Camdyn is also getting the hang of things and really enjoys story time.

This month we are welcoming **Ida** and **Zoe** to our room! They come from the Big Seeds and both have big sisters in the Blossom Room. **Skarlet** is also joining us and is new to Growing Tree. We look forward to getting to know her and her family! **Smith, Morrison, Neal** and **Sofia** are moving up to the Bud Room as of October 5th. We will miss you all! **Have fun!**

This month our theme is, “**Peek-a-BOO**”. During art time we will make smiling pumpkins, paint fall leaves and color spooky black spiders. Some songs during circle time will include, “The itsy bitsy spider,” “Ten Little Pumpkins,” and “The leaves are falling”. We will read, *Too Many Pumpkins*, *Growing Pumpkins*, and *Peek-a-boo*.

Hope to see you all at the **Happy Harvest** on October 3rd. It’s always a good time! Hay rides, pumpkin picking and much more!

Thanks!
Ms. Kelcy and Mrs. Megan
