

Bud News

All our new Buds have settled in nicely and enjoyed the month learning about **bears**! We created a bear **cave** in our adventure center and stuffed it full of bears; the Buds loved pretending not to wake them. We also had table top bear caves made out of small boxes and the Buds enjoyed placing the tree blocks in them and setting up caves for the bears to **hibernate** in. Our story; “Brown Bear, Brown Bear, What Do You See?” was a hit. The Buds enjoyed using felt animals to interact with the story.

Along with bears, colorful art filled our classroom this month. We made brown Bears and yellow **Ducks**, with the Buds’ handprints as the feathers for their duck. We also made green Frogs, and blue Horses. To paint the **blue horses**, the Buds placed them inside a box with a marble in with blue paint and shook the box back and forth...they all loved it!

This month we also learned all about **Will & Ethan**. Did you know that Will’s favorite colors are green and blue, and he loves to play with airplanes? Ethan has a fish named Thor and his favorite toys are Tonka Trucks.

Our theme for October is **pumpkins**! We will be doing lots of pumpkin activities and reading, “The Little Old Lady Who Was Not Afraid Of Anything” by Linda Williams. The Buds will be working on sounds, **sequencing**, building **vocabulary** and feelings. It’s going to be a fun time!

I hope everyone has had the chance to meet **Letty**. She will be working in the Bud room during Mrs. Kimberley’s maternity leave and has been spending a lot of time in our room getting to know your little’s.

Hope everyone has a safe and fun **Halloween**! Please feel free to contact us with any questions or comments.

Thank you!

Mrs. Deborah & Mrs. Kimberley
