

Tree House November News

In October we explored the world of **Fairy Tales**! We started off in the wonderful world of Alice, and then we traveled to Neverland with Peter Pan. From there we found the Big Bad Wolf and he shared with us his version of the Three Little Pigs. We enjoyed the fairy tales so much the children decided to **write** one of their own. Ada said, "I loved making our fairy tale!" The following is the tale our friends created with very little guidance:

The Boy and his Magic Sparkles

Once upon a time there was a boy who loved his mom. (Jayse) Owen was special because he had **magical** sparkles. (Genevieve) The Sparkles can make him go wherever he wants to go. (Phoebe) The sparkles take him to a wolf house. (Quintin) A wolf eats Owen. (Sophia) The wolf spits Owen out because he doesn't like the taste. (Cohen) He takes sprinkles over his head and goes to **China**, where he finds a talking snake. (Gus) The snake Oscar is mean. (Ada) The snake steals Owen's corn. (Decker) The snake goes into a booby-trap. (Bear) A knight takes the snake to a tower so he doesn't hurt any people. (Jack) Owen **travels** to a waterhole and then dives in and swims. (Rowan) He runs into a sea monster. (Owen) He sprinkles the magical sparkles quickly and poofs under his bed at home. (Kiger) He lives **happily** ever after. (Mikaela)

The End

The kiddos were into **treasure** hunting this month. Broch took the lead and gave them clues as to where to find the hidden treasures. Cohen was very **thoughtful** and made sure the group waited for everyone to catch up before moving onto the next clue.

In November we are going to be learning about the **Pilgrims** and the Natives of Plymouth Massachusetts. We will learn life is sometimes hard and how **Squanto's** role helped the Pilgrims learn to live off of the land in harsh New England conditions. We will also be discussing the word "**Thankful**"

Have a "Thankful" November!

Ms. Brandi, Ms. Emily and Ms. Erynn
