

Sprout Too News

SomeBODY Loves You! Do you know where your nose is? How many eyes do you have? Your Sprout can answer all these questions and many more when it comes to their body! It was a Lovely month and our **Valentines** celebration was a hit!

Ida and **Serena** enjoyed singing, “Head, shoulders, knees and toes.” We would sing it really fast and they would both giggle. Finger painting Valentine hearts with vanilla pudding and sprinkles was also a hit in our Sprout room. It was very messy, but yet so much fun! **Noah** made handprints with his pudding and **Mason** used his pointer finger to move the pudding around on the paper. **Garrett** loved making hearts; he would point to the board and say, “Hearts!”

Zoe and **Scarlet** have mastered the coat trick! Our favorite part is to see the proud looks on their faces when they flip their coats over their head and slip them on all by themselves...success! **Zaccai** and **Hayden** have been playing in the sandbox a lot! We made little sand castles and they LOVED stomping on them!

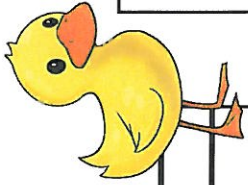

March is going to be filled with **farm fun**. Watch out for the cow crossing, muddy pig pen and big red barn. We will read “Animals on The Farm”, “Stuck in the Mud”, “Applejacks Day on the Farm” and “Farm.” You will hear us **serenading** the animals with, “Old MacDonald”, “Baa, Baa Black Sheep”, “Farmer in the Dell” and “BINGO”.

Ms. Kayla is no longer at Growing Tree, but we're blessed to have Ms. Julie is helping out... thanks Nana Julie!

Have a great month of March!

Ms. Kelcy

Mar-16
