

Sprout Too News

Spring has sprung! Shorts, sunscreen and sandal weather hit us a little early this year. If you haven't already, please bring in a sun hat for your child. We want to make sure everyone is protected! ☺

Last month was all about transportation and "Stop and Go" was our theme. During music time we danced to a fun song called, "Hurry, hurry drive the fire truck." **Garrett** and **Mason** would pretend to climb the ladder and squirt the water to put out the pretend fire. We also sang, "The wheels on the bus"...this is a favorite! **Scarlet** liked singing about the babies. She would say, "The babies go waaaa, all through the town!" During art time we made muddy trucks. **Noah** and **Hayden** enjoyed getting their hands dirty with paint and mud! Speaking of trucks, **Zaccari** and **Ida** had a blast riding on the big trucks outside in the grass. Ida said, "Beep, beep!"

With all the sunshine and warm temperatures, we were able to play in the water table for a few days. **Serena** loved to splish and splash! She was soaked from head to toe! **Zoe** liked playing with the boats and fish. She would smile and giggle as she pushed them around.

This month our theme is "Fruits and Veggies." During music time we will dance to the song, "Fruit salad." Art time will include apple stamping, corn on the cob rolling and painting orange carrots. Circle time books are, "The big hungry bear", "Lunch" and "The very hungry Caterpillar." Songs are, "I like to eat apples and bananas", "10 Little Carrots" and "Fruits and Vegetables are good for me."

Thank you for coming to conferences. We enjoyed getting to sit down with you and talk about your amazing children! Thanks again!

Have a wonderful month of May!
