

Sprout One News

Oh me Oh my look at all those bugs fly and crawl by. The Sprouts were very happy to see all the bugs that came out during our sunny days outside. **Cate** would get so excited, grab Ms. Teresa's hand and say, "Look, look a bug!"

May was full of fun exploring, reading and singing about bugs. During circle time we read about a hungry caterpillar, Ms. Spider and a lonely firefly. We also all enjoyed the new bug song and sang it at least five times before we finished circle. Our Sprouts were sure busy "bugging" around this month. **Owen** loved digging in the tactile bin that was filled with dirt and plastic bugs. He would cover the bugs up with the dirt and then dig them out. **Addison** thought the bugs all needed houses to live in, so she would build a house with the Lego's and stuff the plastic bugs inside. When she was done building the house she would say, "You like your house?"

During outside time we found all sorts of different bugs. **Jaxon** enjoyed sitting on the slide and watching the little flies flutter around. When one would land on him, he would jump up and run around saying, "Bug on me, Bug on me!" **Bridger** and **Grey** liked lying in the dirt and digging for worms. When we would ask them what they were digging for they would both say, "We look for worms." **Hailey** liked to look at the bugs, but if they moved at all she would stomp on them and say, "It icky bug." One day, the Bud room brought out some plants and placed ladybugs on them. All the Sprouts loved watching the ladybugs. **Brody** would run over to the boat each morning and see if any of the ladybugs were drinking water. When he would see one he would tell us, "They need a drink." We all enjoyed seeing the bugs and participating in the fun activities this month. It was a great buggy time.

Our theme for June will be, "**Tractors, Trucks and Trains, Oh My!**" We will be playing with lots of different vehicles and making different modes of transportation for art. Circle time will be filled with books and songs about how a bus works and all about a train station. We will also be making Daddy a special present and card. It ought to be a **zooming** good time.

Please make sure that your sprout has extra **clothes** that are weather appropriate. We are sure as the month progresses that the weather will continue to get warmer and water is so much fun to play in. Also, please make sure to check your child's **art file** for art work. At the end of each month we send home all the art work and the files get very full.

Thank you once again for a great Teacher Appreciation Week. We all had a wonderful time. Please let us know if you have any questions or concerns.

Have a great June and Father's Day!

Mrs. Teresa, Ms. Kelley and Mrs. Julie

Jun-16

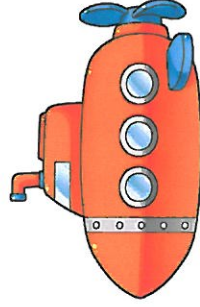

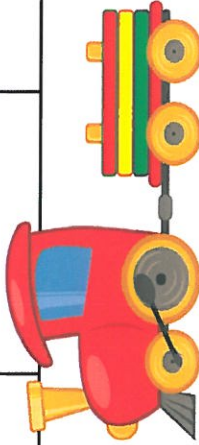

Tractors, Trucks and Trains, Oh My

Notes:

This Month's Books:
<i>Little Blue Truck</i>
<i>Train Conductor</i>
<i>Wheels on the Go</i>
This Month's Songs:
