

# Sprout One News

**Whoosh-Zoom-Vroom**, look at those speedy sprouts go by! Driving the cars and riding the bikes was the best way to embrace our warm summer sun.

June was full of craft fun, singing songs, playing with cars and reading about all the different vehicles that we use. **Brody, Bridger** and **Grey** would push the big trucks all over the room and say, "We go so fast." There were times when they went so fast that they forgot to look and crashed into the door with their heads. Every time this happened they would smile and say, "Uh Oh." At circle time we read and sang about cars, trains and buses. After each song all the sprouts would say, "Sing again, Sing again." **Hailey** would sit on the floor after circle time and would tell her friends, "I not done. Sit down and sing." She is such a little teacher.

During morning activities you could see **Addison** sitting on the floor lining up each colored vehicle. She would point to them and say, "This is a car, bus, train and firetruck." When she was done telling everyone what each vehicle was she would then look at her friends and say, "I so amazing." In the dress-up area we had construction and train conductor clothes. **Owen** would put on the train conductors hat and would run around the room saying, "Woo Woo." **Jaxon** loved wearing the construction worker vest and would tell Ms. Teresa, "I go drive and then build your house."

For art the Sprouts created a variety of vehicles you can ride in and anything to do with painting or gluing was a HUGE hit! Our warm weather has also been a hit; especially because they don't have to wear their coats. The Sprouts ran wild outside and loved riding around on their own modes of transportation. While outside, **Cate** enjoyed sitting on the sidewalk reading books and singing "Wheels on the bus." She got very excited as she sang it and when she finished she would say, "I sing good." June was a great month of vehicle adventures and sunny warm weather. We can't wait to see what July will bring us.

In July we will be exploring the beach and ocean. There will be lots of water play and sand activities. We will be making things that go on the beach and animals that swim in the ocean. Circle time will be full of songs and books about fish and other ocean animals...bring on the fun!

The Sprout room would like to welcome some new friends to our room; Quin, Lucas and Jameson. We can't wait to have some great adventures with you guys. On that note, we

would also like to say a sad goodbye to Cate and Brody. They will be moving to the Bud room to have some new adventures of their own. We will miss you both.

As we stated, we will be exploring and playing in water so please make sure your Sprout has plenty of extra clothes. You're also welcome to bring in a swimsuit for them to wear during our water activities. They all love splashing and spraying water at each other, so they have a tendency of getting really wet and this would help save on clothes. Please don't feel obligated to do so though.

Thank you once again for all you do. Please feel free to come and talk to us if you have any concerns or questions. Have a great July and enjoy those fireworks!

Teresa, Kelley and Julie

Jul-16

# Going to the Beach

Notes:	Monday	Tuesday	Wednesday	Thursday	Friday
This Month's Books:					1 4th Celebration
<i>Way Down Deep</i>	4 HAPPY 4TH CLOSED	5 Handprint Lobster	6 Crabby Crab	7 Sand Painting	8 Jellyfish Sun Catcher
