

# Sprout One News

The Sprouts went over the mountain, the Sprouts went over the mountain, the Sprouts went over the mountain and had fun looking for bears and camping!

In August we had fun exploring our camp and music theme. All the sprouts loved using the microphone in the dress-up area and singing as loud as they could. From the first of the month **Hailey** and **Jaxon** did a great job remembering the books and songs we did at circle time. As soon as circle time was finished, they jumped up, picked up some books and started singing the circle time songs. **Lucas** loved the "Down by the Bay" book and would walk around the room singing the song after circle. **Owen** also enjoyed the book. Every time we would get to the 'bay' word he would sing "Bay" really loud. We also enjoyed using the instruments and singing as we played. They're all great musicians.

Camping was a huge hit this month too. **Addison** and **Bridger** would jump around the room yelling, "We go camping, we go camping!" **Jameson** thought it was great cooking with the tin camping dishes. He would fill up the cup and give it to the teachers and say, "Coffee?" Outside we had fun going on bear hunts and playing in tents. **Grey** would run around saying to his friends, "Let's go on a bear hunt." **Quin** loved to climb in the little tent and sit down. She would then look out the tent with a smile on her face and say "I in tent." The Sprouts also enjoyed the warm weather and water play. They all loved getting wet. It was a great way to end the summer.

In September we will be, "Going to Market." At circle time we will be reading about food and singing silly food songs. During art we will be making different foods and creating the variety of ways in which we carry them at the store. We will also be enjoying the last of our nice warm weather outside by digging in the sandbox and playing in the water table.

On a sad note, we would like to say a fond farewell to Hailey, Addison, Bridger, Grey and Jaxon who will be moving to the Bud room. We will miss you all, but know you will enjoy your new adventure.

As we say farewell to those friends, we would like to welcome some new ones; Evelyn, Elin, Rory, Charlie, Wesley, Josh and Amelia. We're excited to get know you and your families, and hope you're all ready for a fun adventure in the Sprout room!

Please make sure your sprout has extra weather appropriate clothes in their cubby. As we are learning to use those lidless cups, we often times get a little wet and messy. ☺ Please let us know if you have any questions and/or concerns. Have a great September and enjoy the last of our warm weather!

Teresa, Kelley and Julie
