

# Bud News

All our new Buds have settled in nicely and enjoyed our month full of learning about **bears**! We read "Brown Bear, Brown Bear, What Do You See?" and the Buds enjoyed listening and interacting with the felt animals. **Ida** and **Mason** would sit in the book center afterwards and tell each other the story over and over again. We also learned the rainbow song this month and talked about everyone's favorite color. **Addison's** favorite color is purple and **Scarlet's** is "my yellow" as she would say. Another song we learned was "Going on a Bear Hunt," and **Grey** and **Brody** became very excited every time we sang it.

Along with bears, colorful art filled our classroom this month. We made all the animals from our story; brown bears, red birds and yellow **ducks** with their hands as **feathers**. The Buds also explored a variety of different ways to paint. For their blue horses, they placed the horse, a marble and blue paint in a box and shook it back and forth...it was hit!

This month we learned all about **Brody** and **Cate**. Did you know Brody enjoys jumping on the **trampoline** and tubing behind the boat with his family? **Cate** loves to go camping in the camper and rock climbing with hers.

Our theme for October is **pumpkins**! We will be doing lots of pumpkin activities and reading, "The Little Old Lady Who Was Not Afraid of Anything" by Linda Williams. The Buds will be working on sounds, sequencing, building **vocabulary** and feelings. It's going to be a great time!

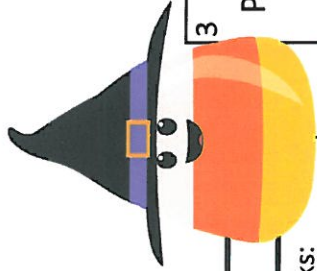

It's been a great month getting to know all these Buds and seeing them explore what they like to do. As always, please feel free to contact us with any questions or comments you have.

Hope to see all of you at the **DD Ranch** this Saturday, October 1<sup>st</sup>.

Thank you!

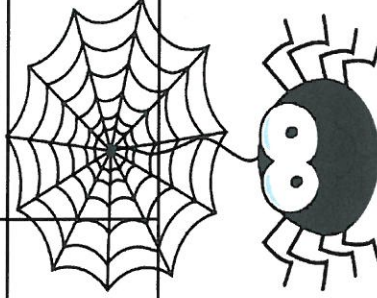

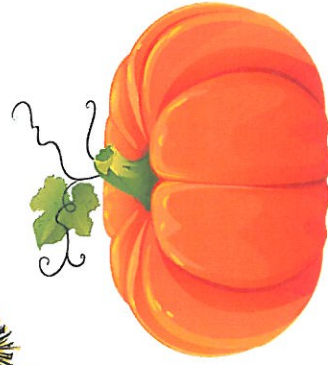

Mrs. Deborah & Miss. Letty
