

Bud News

Boo Boo! Was the saying of the month in the Bud room. We have been reading and acting out the story, The Little Old Lady Who Was Not Afraid of Anything. **Ida** and **Mason** would laugh and scream, "Boo Boo" just like the pumpkin head. We learned the "Five Little Pumpkins" song and played the "Pass the Pumpkin" game during circle time. There was also a rat named Gouda and a spider named Cecila that came to visit the Bud room this month. The Buds sure had fun looking for them every day. **Addison** would say, "I see the spider over there now."

The adventure center became a **costume** store this month and our Buds loved playing dress up. Thea wore the tutu and said, "I'm a princess!" Grey put on the knight armor and fought the dragons; while Scarlet really enjoyed the ladybug costume. She'd put it on and say, "I like being a ladybug. I'm a nice ladybug."

Art time was a big hit this month. The Buds spent a lot of time creating their **scarecrows** and their hard work paid off because they looked fantastic and really brightened up our classroom. We also decorated pumpkins with stickers, used potatoes as pumpkin stamps and colored pumpkin seeds with food coloring and vinegar.

October was also all about **Garrett** and **Hailey**. Garrett has two English Mastiffs named Juno and Maya and his favorite toys are fire trucks and mega blocks. Hailey has chickens that she calls chickies, a dog named Baillie and a cat named Timmy. Her favorite foods are noodles and fruit.

In November we will be reading, Feast for Ten by, Cathryn Falwell. In this story a big family grocery shops and afterwards **works together** to prepare a large meal. The Buds will be working on counting, identifying food items, sequencing, and building **vocabulary**. We will be turning our adventure center into the Bud room grocery store, so if all the Buds could bring in **ONE** recyclable item we would appreciate it. Thank you.

It's starting to get **chilly** outside, so please make sure your Bud's are dressed appropriately and please make sure their names are on all their jackets, gloves and hats. Also, please be sure to check your Buds **cubby** everyday for notes about supplies they need and other important info.

As always, please feel free to contact us with any questions or comments.

Thank you!

Mrs. Deborah & Miss Letty

Nov-16

Notes:

This month's book:

Feast For Ten

This Month's Songs:

Leaves on the Move

Harvest Time

Time to Eat

Green Acorn, Brown Acorn

Gobbles of Fun

| Monday | Tuesday | Wednesday | Thursday | Friday |
