

BUD March News

What a month filled with love! The Buds really enjoyed Valentine's Day. Their favorite part was distributing their cards to their friends. **Jackson** brought special heart hats for everyone. He said, "My mommy made these for my friends!" Did your Bud tell you about our Clifford Game? They had a blast pinning the tail on Clifford. **Brody** laughed so hard when he took his blindfold off and saw where his tail was. His laugh was very contagious and pretty soon he had the whole class giggling.

At circle we listened to The Pokey Little Puppy. The Buds adored it, just as much as Mrs. Deborah did when she was a little girl. I bet you heard your Bud singing our song, "Love Your Pets" at home. They know it by heart. We also took turns talking about our own pets. The Buds learned that they need food, water, exercise, and love. The Buds enjoyed giving the puppies rides in the wagon. To reinforce taking turns we rang a bell and chose a friend that was making good choices, they then received a ticket that gave them a turn to pull the puppy wagon. They had so much fun with it **Bridger** would walk in and say "can I give the puppies a ride?"

I hope you enjoyed all of your child's art. They were so thrilled to create Clifford's and Cats in The Hats. We think they turned out fabulous! **Scarlet** was especially proud of her Clifford, as she loves Clifford stories. When a Clifford story was read, she would say, "Hey, I made a Clifford. It's over there!" as all of her friends turned their heads.

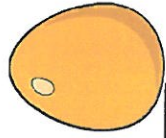

Did you get a chance to see The All About Me board? The pictures made it super bright! We had the privilege to learn a little about **Zoe** and **Jackson**. Zoe enjoys looking at books and playing with baby dolls. Her favorite foods are pancakes and she has a sister named Mikaela. Jackson likes snowboarding and his favorite place to be is a Mac N Cheese place because his favorite food is Mac N Cheese.

In March we will be reading the series by Jane Yolen, How Do Dinosaurs.....? The Buds will learn about different activities the dinosaurs accomplish just like humans! Our room will be transformed into **Prehistoric** times filled with Dinosaurs!

If you have any questions or comments, please feel free to approach us.

Mrs. Deborah and Ms. Letty

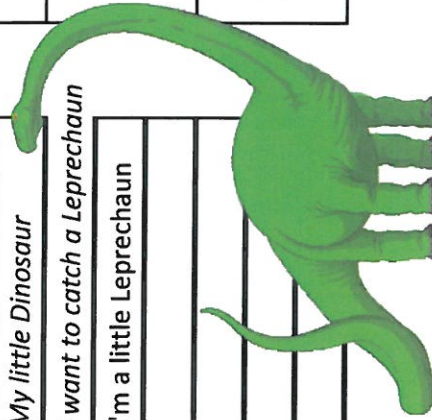

Mar-17

Dinosaurs, Roar!!
