

Bud Room News

The Buds spent April learning what was unique about themselves their families and the value of their friends through several activities. They were very proud of their self portraits. **Bridger** enjoyed pointing out his big blue eyes to friends. **Hayden** was especially proud of his red hair. "Only me and **Ida** have red hair," he said. Each friend had the opportunity to look in the mirror and share their unique traits with the class. **Zaccai** was very prideful when he realized he was the only child with black hair, just like Miss Letty's. Two at a time the Buds created a friendship painting, together they painted one piece of art. We learned that not everyone looks the same and that all families are different and friends are very special.

The Buds enjoyed the rhyming words in our book, Is Your Mama a Llama? **Nick's** favorite book in the series was Llama Llama Red Pajama, which he knows by memory now. **Grey** loved the hidden friend activity. He used a paintbrush to clear away salt only to find pictures of his friends! When he found his own picture he could not contain his excitement and called all of them over to see what he had found. The bunny masks were a big hit. The Buds loved getting their noses painted and hopping around like bunnies. **Jackson** said, "Look, I'm a silly bunny!" as he made a silly face. **Evie** was so proud of her bunny face she exclaimed, "I want to wear mine outside!"

We learned a little bit more about Serena and Noah this month. **Serena** is a younger sister to Sloan, who is in the Blossom Room. We bet you didn't know Serena has a dog named Otter and seven chickens!!!! Her favorite things to wear include: Owls, Batman, and cozy pants. **Noah** has lots of favorite foods. He likes tacos, Mac N Cheese, strawberries, pancakes, peaches, bananas, and ice cream. His favorite toys to play with are dragons and cars.

In May we will be reading **The Very Busy Spider** by Eric Carle. This is a story about a little spider's persistence to spin beautiful web and avoiding the distractions of the farm animals. The Buds will learn concepts about hard work and try try, try.

Please feel free to approach us with any questions, concerns, and comments. We appreciate them!

Ms. Deborah & Miss Letty.

May-17

Bugs & Farm Animals

Notes:

This month's book:

The Very Busy Spider
