

BUD ROOM NEWS

Hooray! Summer is finally here! We are so happy to have nice weather. The Buds love having water play outside. **Jaxon** and **Evie** are in love with our spray bottles. Jaxon asked, "Can I take it home to spray my toys?" Evie said, "I'm a firefighter. I'm going to stop the fire", as she sprayed the grass. We will definitely be planning a water day this month as it gets hotter.

Look Out For the Big Bad Fish!, was our featured book in June. The Buds sure enjoyed listening to the story about a little tadpole that learns patience as he develops into a frog.

Addison's favorite part was when the big bad fish tried to eat the frog. She exclaimed, "The little frog jumped away from him!" **Scarlet** mentioned, "The fish gets no lunch and that made him angry". **Grey** would yell, "The frog is growing his legs. He is not a tadpole anymore!"

We hope you enjoyed your Father's Day! The Buds had fun making their special gifts for you. At circle time we listened to a story named Up On Daddy's Shoulders. It is about a boy who enjoys doing many things with his dad. We asked each of the children to name their favorite thing to do with their dad. **Mason** said, "I like to go to the park." **Hayden's** response was, "I like to make airplanes."

There was so much fun art this month. **Zoe** was especially proud of her life cycle pond. She said, "Can I take it home and put it up in my room?" **Jackson** liked painting his bumpy bubble wrap alligator. He said, "I want to pop the bubbles," as he popped a few. **Thea** laughed when she put the two white teeth on the beaver puppet. She said, "He looks so silly!"

Did you get a chance to look at **Owen's** pictures on the All About Me Board? It seems like he has been on a quite a few adventures! Owen has a dog named JC and Arkose the cat. His favorite color is blue and he loves playing with his "neigh neigh" (horse), coffee maker, garbage truck, and his tractor. Owen loves his big sister Olivia. She is in the Blossom Room and is often seen receiving treasures from Owen while outside.

Our Buds learned a new game this month as well. While outside they played *Duck Duck Goose*. Each of the Buds took a turn patting friends head and yelling, "Duck, duck, goose." **Garrett** said, "I've never played this before. It's fun!" Of course he would always choose his best friend **Mason** to chase him around the circle. When it was **Nick's** turn to pat his friend's heads he sang, "Duck, goose, goose, duck." Then he would run around the whole playground.

In July we will be focusing on learning about outer space and the solar system. Don't be surprise to see a few astronauts or maybe even aliens in our class. We will read, Aliens love Dinopants by Claire Freedmen & Ben Cort.

As always feel free to address us with questions, comments, or concerns. We are always happy to answer.

Ms. Deborah & Ms. Letty
