

Bud Room March Newsletter

This month was full of pets and hearts. At circle we listened to The Pokey Little Puppy. The Buds adored it, just as much as Mrs. Deborah did when she was a little girl. I bet you heard your Bud singing our song, "Love Your Pets" at home. They know it by heart! Another fun book we listened to was Got Two Dogs by John Lithgow. We took turns talking about our own pets. The Buds learned that they need food, water, exercise, and love. The Buds enjoyed giving the puppies rides in the wagon. To reinforce taking turns we rang a bell and chose a friend that was making good choices, they then received a ticket that gave them a turn to pull the puppy wagon.

We also played pass the heart, where the Buds passed a heart around the circle to their friends and when the music stopped, they stood up and said something that they loved. Here are a few of the things they love, **Finn** loves "puppies", **Charlie** loves "monkeys", **Josh** loves "elephants", **Sookie** loves "ice cream", **Kellen** loves "cake", **Parker** loves "snakes", **Elin** loves "cereal" and **Lucas** loves "the park".

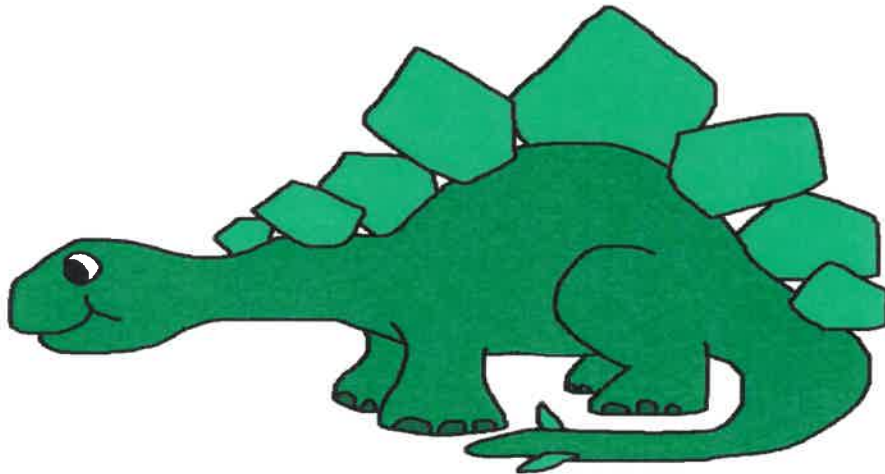

The Buds are really enjoying our helping hands chart, I see friends taking moms and dads over to show them what job they had each day. It makes them very proud to be helpers.

At the art table we made lots of dogs and cats and heart crafts. **Amelia** loved making her cat & the hat project. When she was done she said, "I made it for mommy", with a big smile. **Soren's** favorite was the heart minion. As he was gluing it together he said, "I love my minion." The adventure center had cats and dogs with food and water, bowls, brushes, vet supplies, and leashes for their walks. The Buds had fun taking care of the pets. **Boden** placed his puppy in the dog bed and said. "my puppy is sick, he needs to go to the doctor" as he pats the puppys' head. The Buds played with dogs and cats in the sensory table with red and pink flower peddles. Then we changed it to water and hearts. Some hearts floated and some hearts sank to the bottom! The Buds enjoyed scooping up the hearts and placing them in different colored cups. **Parker** said, "I like catching the hearts" as he ran the scooper across the top of the water.

Valentines Day was a blast!! The Buds had so much fun putting the Valentine cards in their friends' boxes. **Parker** said, "I'm giving my friends snakes" and **Evelyn** said, "We have a lot of friends", as she placed the cards in the boxes. They also got to play with red balloons with doggie faces on them. We called them our Clifford dogs. **Lucas** loved taking his dog for a walk. Matt made us a special snack, and **Charlie** said, "I found marshmallows, they are my favorite!" **Elin** said, "I like the M&M's" as she picked them all out first.

Did you get a chance to see **The All About Me board**? The pictures made it super bright! We had the privilege to learn a little about **Adelyn** and **Wesley**. **Adelyn's** favorite toys are her baby doll, Minnie Mouse, and her horse named Sparkle. Her favorite places to go are the park and the river. **Wesley's** favorite sports are hockey, skiing and football. Go Seahawks!! His favorite foods are broccoli, chicken strips, tomatoes, and apple sauce.

In March we will be reading the series by Jane Yolen, How Do Dinosaurs.....? The Buds will learn about different activities the dinosaurs accomplish just like humans! Our room will be transformed into **Prehistoric** times filled with Dinosaurs!

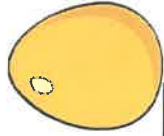

Upcoming Events:

- March 2nd, First Friday
- March 14th, Leprechaun arrives!
- March 26th, Book Fair Week

If you have any questions or comments, please feel free to approach us.

Mrs. Deborah and Mrs. Salina

Mar-17

Dinosaurs, Roar!!

Notes:
