

## Seedlings January Newsletter

It's hard to believe that 2018 is at its end, but it has been filled with many smiles and great memories and we are excited to see what 2019 has to bring!

We want to thank the families that were able to make it to the Christmas Sing-a-Long, as it was a very cute success with no crying babies and some adorable Christmas outfits! We also know that it can be hard with the little one's schedules, so thank you for taking the time to come. For those who couldn't make it, there is always next year! We also want to thank parents for the thoughtful holiday gifts that we received this past week! We are very lucky to work with such kind and generous families!

We have been enjoying watching the babies grow each day and we are so proud of how well everyone is doing! This month we welcomed **Chandler** and **Theodore** to the class! **Chandler** is a sweet little guy who loves to snuggle and to give his teachers lots of big smiles. He likes observing what his bigger friends are doing and hanging out under his gym. **Theodore** "Theo" has started visiting for a few hours on his days and is starting to get used to the classroom environment a little more. He is a cute, chunky little guy that we just love to snuggle. He has been doing great so far and we are looking forward to getting to know him and his family more!

Our easy-going little **Aubree** has started on the Big Seeds schedule and is doing wonderfully! She is on her way to moving up and although we will miss her, we know she will do great with the Big Seeds! We will still make sure she gets plenty of hugs from us, as we are just next door! **Saylor** is always getting into new adventures. She is interested in anything and everything and loves her big girl meals. She also has the cutest little wave! **Archer** has really mastered his sitting up and has started on solid foods, which he loves! **Ellie** is a strong little gal that rolls everywhere and loves to kick and wiggle! **Eleanor** has been showing how good her balance and strength is and sitting up unassisted for longer periods of time. **Brynley** is a rolling machine! She loves showing off her skill of rolling from back to tummy but is still trying to figure out how to roll back to her back. **Quinn** and **Clover** have been working on their sitting with some assistance and have been practicing their rolling also! Everyone is doing great! We are also looking forward to welcoming **Lorenzo** to the Seedlings room in January!

If you get a chance, we would love it if you are able to bring in a family photo so that we can add it to our classroom's family board!

### Dates to remember:

- December 31<sup>st</sup> and January 1<sup>st</sup>: Growing Tree is Closed.
- January 4<sup>th</sup>: First Friday

Ms. Jolene, Ms. Melanie, and Ms. Korinea
