

Sprout Too News

Hello everyone, the month of January was great! The children really enjoyed making foot print penguins and melted snowmen. We also played in the snow. **Kailiana** and **Charlotte** had fun digging in the snow with the shovels, while **Whit** and **Liam** had fun playing with the dinosaurs in the snow. When playing inside, **Sawyer** enjoyed cooking food for us to eat in the home center. **Eaven** enjoyed looking at book, and **Sage** got so much pleasure building with the blocks and then knocking them down! **Luke** seems to like playing in the sensory table and dancing to the music.

In the month of February our theme is; Me, Myself and I. We will be making Self Portraits and a Self-Collage, as well as hand prints and much more. The books that we will be reading are; The Feel-Good Book, Be Me, and I Have Ten Little Fingers. Some of the songs that we will be singing are; 'If Your Happy and You know It', 'This Is Me', and 'Head, Shoulders Knees and Toes'. February 14th is Valentine's Day. We ask that you don't bring in any snacks or candy as Matt will be fixing a special treat for all the classes. If you want to bring in cards for the class, please bring in one for each child, (eight).

Please remember to check cubbies for extra clothes, and don't forget to check your children's art folder. We are always in need of plastic bags to use in our diapering area. Thank you!

Ms. Kristine and Ms. Kelcy
