## ***Extra, Extra, Read all about us!***

**Brrrr.** It was cold in the Bud Room this month! January brought us *Arctic animals*, Snowflakes and Snowmen! We learned about *hibernation* and *migration* and what those mean! We pretended to be animals hibernating at naptime, burrowed in the deep, dark cave of the **Bud Room!**

This month we got to play with *fake snow*, cocoa dough and other fun wintery sensory activities. We had a lot of fun playing in the **real snow** outside too! If you wouldn't mind checking your kids' snow clothes, they may need a quick *wash!* The mud and grass are sure fun after a snow day but can leave clothes messy.

The Bud's loved all of the wonderful books that Ms. Amy brought in from the library! We read them during circle, nap time and even got to use them while doing yoga! Froggy yoga was our favorite, but Piggy yoga was a close *second*.

Next month is all about *Community Helpers!* We will be learning about Police officers, Veterinarians, Doctors, garbage truck and delivery drivers and much more. We will be framing it all around, "*When I Grow Up*" and we will be asking your kids at the **beginning** and **end** of the month to see if or how it will change!

Keep an eye on the calendar for **Show and Tell!** When we learn about Veterinarians, your Buds will get to bring in their favorite *stuffed animal* to share with the class at circle time. We also plan to have a fun visitor this month, while we learn about how special some of the people in our community are and what they do for us. *We can't wait!*

We had so much fun having **Amy** in our classroom in January and loved having **Tiina** back while **Miss Kendra** got to travel to Israel! Thank you all for being flexible with the changes.

**Important dates:**

- We will be closed for President's Day- 2/18/19
- We will be celebrating Valentine's Day- 2/14/19 (please no outside food, Matt will prepare a special treat).
- Bring your "pet" to school day (stuffed animal style)- 2/22/19

- Miss Kendra
