

Sprout Too News

Our theme last month was “Me, myself and I.” Not only did we focus on things like, “Where is your nose?” “Where are your toes?” we also talked about different emotions. During circle time each child got a chance to express how they were feeling that morning, and we used pictures to show happy faces, sad faces and angry faces.

Baby doll circle time was a hit again this month as we sang, “Head, shoulders, knees and toes.” **Liam** and **Sage** really enjoyed this part of circle time. They smiled and held their baby dolls while pointing to their heads, shoulders, knees and toes! During art, **Sawyer** liked finger painting with red and purple. **Charlotte** had fun making the love bugs with dot markers. While playing outside, **Eaven** and **Luke** could be found shoveling snow with the big shovels! It was fun to watch them. **Whit** and **Kailiana** slipped down the slide with some of their friends from Sprout One. They laughed when they got to the end of the slide. We are so thankful for snow suits to keep warm while enjoying the winter wonderland!

This month we are going down to the farm! We will make muddy pigs, big horses and have sensory bins filled with dirt and farm animals. During circle time we will read “Barn Yard Dance”, “Pop Up Farm”, and “Old MacDonald.” Songs will include, “Down on Grandpa’s Farm”, “The Farmer and the Dell”, and “Old MacDonald.”

Friendly reminder we always need plastic bags, so feel free to bring some in. Also please take your child’s gloves and hats home once a week to be washed. They get very dirty while playing outside in the wet snow, and there’s no telling how much longer this winter will last! Thanks, we appreciate it!

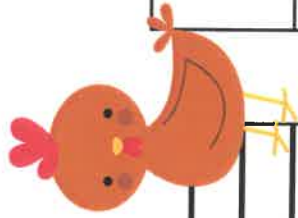

Have a great month of March! Be LUCKY!

Ms. Kelcy & Ms. Kristine

Mar-19

Farm Fun!
