

Sprout Too News

Spring is here! Hopefully April showers bring May flowers! Dinosaur month was a lot of fun. We read some great books and sang some exciting songs during circle time. The hand-print dinos turned out so cute, and **Liam** and **Whit** liked roaring like T-Rexes! It got loud in the classroom a few times! **Sawyer** and **Sage** built houses for their dinosaurs out of Legos; working really well together! During outside time, **Eaven** and **Luke** rode bikes around and they always made sure to get their helmets on first. **Kailiana** and **Charlotte** took good care of their baby dolls in the home center, always making sure they had blankets and bottles.

This month the theme is transportation. Art projects will include coloring cars, painting trains and making muddy truck tracks. Circle time books will include, "Big Blue Truck", "Truck Jam", "The Seals on the Bus." Our songs will be, "The Wheels on the Bus", "Down by The Station" and the "Traffic Light Song." Free play will be filled with tons of stuff to do! We will have sensory bins with soap and water for car washing, a train track center and magnet airplanes and boats.

Thank you to those who were able to join us for a conference! It was nice to have a chance to meet with you and get to know one another better. Watching your children grow and learn everyday is so rewarding! If you haven't done so already, please take your child's snow gear home. Also, if you can bring in a heavy coat for the mornings outside and a lighter jacket or sweatshirt for the afternoon, we would appreciate it as weather temperatures can vary greatly during our outside times.

Have a great month!

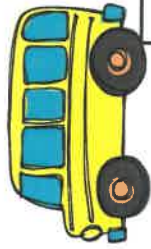

Ms. Kelcy and Ms. Kristine

Traffic Light Song

(Tune: Twinkle, twinkle little star)

Twinkle, twinkle traffic light,
Round the corner shining bright,
Red means stop,
Green means go,
Yellow means very, very slow,
Twinkle, twinkle traffic light,
'Round the corner shining bright.

May-19

PM Activities
