

# MAY

***Bud***

***News***

**We are so excited for some sunshine!!** Throughout April, we learned about April showers and how plants need rain and sunshine to grow. We are really hoping May provides all of the sunshine the plants need!

April was very **creepy and crawly** as we learned about different bugs that can be found in the garden, and even found a real live spider in our classroom! The kids all hovered around and Miss Kendra put it outside, so it could continue to help build webs and catch those pesky flies.

One of our favorite books from April was the Garden Yoga book that Miss Amy got from the library. We were able to use it at our Music and Movement circle to practice some breathing and calming exercises while pretending to be the different **bugs and plants** that we were already learning about.

The Buds are really loving story time and because of this, we have decided to dedicate all of May to **celebrating** authors! We will be reading books from Eric Carle, Dr. Seuss, Mo Williams and so many more.

We can't wait to read a new book each day and dedicate different art projects to the characters in the books. If your child has a book that they particularly **love** that is by one of the authors listed below, please feel free to bring it by and we will find a way to incorporate it into our day before sending it home!

Thank you again to all the parents who took time out of their day to meet us for conferences and talk about your kids! We appreciated getting some time to sit and talk, but please feel free to come to us with any questions or concerns moving forward.

**Authors for the month:**

-Dr. Suess

-Bill Martin Jr

-Eric Carle

-Mo Williams

-Eric Litwin

-Laura Numeroff

Please note, Growing Tree will be closed on Monday, May 27<sup>th</sup> in observance of Memorial Day.

Have a great month!

**Miss Kendra and Miss Amy**
