

Sprout 1 News

Well summer is here, and the Sprouts are loving the new play structure. They are great at climbing up and keeping themselves and their friends safe. They also love zooming down the slide and talking to their friends thru the tube. Thank you, thank you Ms. Tammy we love it!

In June we all had fun zooming the vehicles all over the room. **Dominick** would race trucks with his friends and say, "Come run! Come run!" At circle time we read about different vehicles and sang songs about a boat, bus and a train. **Aerix** had fun listening to all the books at circle time. He would tell us, "The digger dirt." **Shaylie** enjoyed singing all the songs at circle time. She would rock herself back and forth and sing "Row the boat."

In the classroom we had different vehicles on the shelves, vehicle puzzles and vehicle books. **JJ** would put the animals in the dump trucks and say, "They go fast." **Gabriel** would take the cars, line them up on the shelf and push them to the other side. As he was pushing them would say, "They vroom, vroom." **Miles** loved putting the road tracks together and driving the cars on them. He would make a long line, push the car on it and say, "It fast. It fast." **Abby** was a great puzzler this month. She would take out one puzzle at a time, put it all together and say, "I did it." She also liked to take some of the pieces and drive them all over the shelf and floor.

We had a new friend **Tanner** start in our room this month. He loves to take the balls, lay them on the floor and kick them across the room. He looks like a soccer star in the making. In our dress-up area we pretended to have a car wash with washcloths, trucks and sponges. **Emma** and **Natalie** had a great time playing with the washcloths. **Emma** would take the washcloth, stand at the window and say, "I wash window and tuck." **Natalie** loved pretending to wash everything with the washcloth. Her favorite thing to do was to lay the babies down on the floor, cover them up and say, "Wash. Wash. Alright."

We all had a great time outside playing on our new play structure and getting cooled off with water. We also had fun making sand hills with the shovels and buckets. We can't wait for July and a little warmer weather.

In July we will be going on a "Beach Adventure" in the room. We will have many sea and beach activities in the room and a few water activities outside. On the shelves we will have sea animals, beach towels and things we use at the beach. Circle time we will be singing about waves in the sea and fish. The books we will be reading will be about the ocean and all the

Sprout 1 News

creatures you see in it. At art time we will be making animals in the ocean and things you see on the beach. It's going to be a very adventures month.

With the weather being warmer please make sure you check your Sprouts have extra clothes. We have noticed that they have long pants and long-sleeved shirts; but please bring in cooler clothes so they won't get to hot outside. Thank you. We hope all the Dads, Grandpa's, Uncles and Papa's had a great Father's Day.

If you have any questions or concerns about the room please feel free to come talk to us. Have a great month and 4th of July.

Reminders:

- Growing Tree will be closed on July 4th and 5th for the holiday.
- Growing Tree BBQ and Blossom Graduation will be held on July 24th at Pilot Butte Park; 5:30-7:30pm.
