The Sprouts had a great time on their "Beach Adventures" this month. In fact the beach was so fun we decided to hop on a submarine to do a little under sea exploring. The Sprouts were also very excited when they came to class and discovered a baby octopus had come to visit. Everybody jumped up and down under him shouting "Octopus, octopus!"

Art is always a favorite time with the children decorating jellyfish and coloring crabs and playing with ocean creatures in the sand. At circle time we read stories about "Baby Beluga" and "Spots Beach Adventure." **Shaylie** really enjoyed singing the Five Little Fish song. She does all the motions and sings "Fishy teases Mr. Shark." **Aerix** loved the Baby Beluga book. He would sing the book with Ms. Teresa and say "I sing it, yay!" **Dominick** would take the dolphin puppet and pretend it was eating cookies. As the puppet was eating the cookie he would say "Chomp, chomp. Yum cookie." **J.J.** walked around with the dolphin puppet on his hand saying, "It get you."

**Tanner** enjoyed throwing the beach balls all over the room and then chasing them saying "Ball, ball." **Miles** had fun playing with the tube connectors. He would put a curved piece together and say "Squirt, you. Water squirt you." **Emma** hopped the frogs around the room, "I hop, hop too." **Natalie** was very creative making a tower stacking the turtles one on top of each other and said, "make a turtle tower." **Gabriel** had fun pretending to have the shark eat the lizard. As the shark was eating the lizard he said "Yum, yum, yum." The shark was a favorite toy for the children. When Mr. Matt came in to give us breakfast **Abby** took the shark, poked him in the leg and said "Shark get you. It gets you."

In August we will continue our "Summer Fun." We'll go hike the mountains, set up our tents, and experience camping. Don't forget to bring your sun hats and sunglasses because it sure is hot out. On August 28 we will do some outside water play. If you would like your child to

We are very excited for our Sprouts who will be moving over to the Bud Room in September. We have enjoyed all our time with them and will miss them dearly and wish them the best on their new adventure.
