

hello AUGUST

Bud Room News

There was quite the commotion in the Bud room during July! Our little scuba divers went swimming with sharks, octopus, fish, sea urchins and so much more. Our ocean theme brought a ton of fun crafts, slime and tons of different sea animals to learn about. Thank you to Herman the Octopus for keeping a watchful eye over our friends this month!

We went swimming; we went swimming, in the bottom of the ocean! Can you believe that July is over and it is already August?! Just one more month until your little Buds become Branchers! We are working hard to prepare them for the transition to their new classroom. We wanted to be sure we got to go on one last adventure with them! The Buds room is turning into a forest and we are going camping!

We will start the month learning about all of the necessities we need for a smooth camping trip. Next we will talk about the supplies and setting up our site! We will be sure to touch on campfire safety and learn all about Smokey the Bear. Finally, it wouldn't be a trip to the campsite without some insects and animals!

We look forward to all of the fun things that this month will bring, with forest friends and a campsite. We will have pretend fires to roast s'mores and will even get to paint with marshmallows, yum! There are so many songs and stories that we can't wait to share and look forward to hearing what your Bud's imaginations bring to us as we "sit around the campfire" or in our campsite.

If your Bud has a book about camping, forest animals or bugs, please feel free to bring it in, as we would love to read it during circle or nap time.

Stay tuned for a water day! We have had several parents and kids ask us for a water day. We will be putting a note on the door, so please be sure to bring a bathing suit for your child that day, so we can have fun and keep their clothes dry.

We hope you have a fantastic month!

Miss Kendra and Mrs. Brittany

Aug-19

Gone Camping

Notes:

This month's book:
