

THE MONTHLY

GROWING TREE CHILDREN'S CENTER

BUD

February 1, 2020

Dear Families,

Happy February! We hope that everyone had a great January!

This has been an exciting month for the Bud Room. Our focus on winter provided the Buds the opportunity for many fun projects! After we read *All it Takes to Build a Snowman*, the Buds had the information they needed to build their own snowman. They waited patiently for enough snow to begin building. Unfortunately, the snow wasn't very sticky, but we were able to build a small snowman with buttons eyes and a carrot nose. The children were very proud of their teamwork. We made several winter projects which included egg carton penguins, snowmen door hangers and hot chocolate mugs. We enjoyed cold, wet, and warm sensory projects. These included using snow from outside, ice cubes, slime and shave cream. We also used warm water for a sink and float activity where the children made predictions of which items would sink or float in the water.

The Bud room had a new community visitor. Please welcome Janet our Librarian to the Bud room. She will visit every Tuesday at 9:00 am. The children really enjoy her story time!

In February, our study will be **When I grow up**. Your children will have the opportunity to learn about careers by keeping our room safe, delivering mail, operating a restaurant, and working in a beauty/barber shop.

Bud Room News:

- Please welcome Bud friends Lulu, Teague, and Hunter B. into our room!
- Congratulate the Rosebrook family on their newest addition, Baby June!

Birthdays:

- Happy Birthday Brooks! February 1st. We look forward to celebrating with you!

Parent Reminders:

- Growing Tree will be closed **Feb. 17th**
- Valentine's Day is coming up! Please bring in signed cards with only your child's name. **No Treats please!!!**

Thank You!

Ms. Amy, Ms. Brittany, and Ms. Jamie ☺
