

# THE MONTHLY **SPROUT 2**

GROWING TREE CHILDREN'S CENTER

April 1, 2020

Dear Sprout 2 Families:

"Family is everything." The Sprouts have enjoyed learning about "Family" last month. In one of the books we read it showed how animal mommy's hold their babies. Otter mommy's hold their babies on their belly's, Kangaroo mommy's hold their babies in their pouch and your mommy holds you in her arms. **Lillian** said, "That's how my mommy holds me!" So special.

**Ronin** and **Iris** loved gluing green paper onto shamrocks during art time.

**Opal** used crayons to color on white paper had we had taped to the closet door. She preferred the red crayon! We did pegs with peg boards during free play.

**Lillian**, **Brynley** and **Ellie** made tall towers. We enjoyed watching them work together!

**Aspen** connected all the star builders together. She did it all by herself. Way to go!

**Piper** uses a paint brush to paint with watercolors. The picture turned out so beautiful. We had a snow fall last month and

**Om** was a busy bee using the shovel to move snow around the playground. He enjoyed the light snow fall we had last month!

This month is going to be all about "Animals".

**Our books will include:**

*Hooray for Birds, Panda's Love Pickles, Brown Bear, Brown Bear and Ten Little Chicks.*

**Songs we will sing are:**

*Five Little Monkey's, BINGO, Baa, Baa Black Sheep.*

Some art projects will be Painting muddy pigs, coloring kitty cats and gluing ducks in a pond. Sensory bins will have dirt with toy animals and fake grass with frogs and rocks.

We want to wish all our families well during this time. Keep positive thoughts, keep washing your hands and stay healthy! 😊

Have a great month!

Ms. Kelcy and Ms. Tracy
