

THE MONTHLY

GROWING TREE CHILDREN'S CENTER

SEED

September 1, 2020

Dear Families,

This month we welcome a few new babies to the Seedling room! Welcome **June**, along with her parents, Rachel, and Doug. June has a big brother Luke who already attends in the Bud room. **Rowan**, and his parents Megan and Taylor. An **Jack** and his parents Erika and Kevin.

Our friends have been growing and developing so much this month.

Mackson has been holding on to furniture and big toys to help him stand. Recently he has been letting go momentarily. He has been trying lots of new finger foods and really seems loves them. He enjoys playing new games, coping facial expressions and sounds that his teachers make. He will be moving up to the Big Seeds next month, and we will miss his great big smile.

Autumn has been bearing weight on her arms while on her tummy. She has also been lifting her tummy up a little here and there, as she is getting ready to crawl. She seems to love her mealtimes and is beginning to use a cup to drink her milk from. She will also be moving to the Big Seeds next month. We will miss her calm and sweet disposition.

Bell has been bearing weight on her arms while laying on her tummy. She gets up and down and spins a little bit to look at new toys and to grab at them. She has also been working hard at getting her two bottom front teeth!

Charlie is beginning to try new foods at school. She has tried sweet potatoes, and bananas. Charlie enjoys watching all her friends while they play in the classroom. She also likes laying on the mat with her like sized friends. They seem to enjoy looking at each other.

Forrest enjoys playing with his floor gym and he is working on trying to roll over. When he is put down on his back to sleep, he will roll to his side on his own. He always greets us with a great smile.

As we transition to Fall weather here are a few things to remember to bring to the classroom:

- Light Jacket
- Warm Coat
- Shoes
- A variety of clothing for a variety of weather.

As always, Thank You for sharing your sweet children with us!

Ms. Jo, Ms. Deann, and Ms. Melissa.
