

Tree House Newsletter

The wonderful world of **Dr. Seuss** filled our classroom this month. We were able to enjoy making our own Thing 1 & Thing 2, Fox in Socks, and our Cat in the Hat C's. Along with many art projects, we learned a lot of classroom **expectations**. As the Treehouse friends brainstormed what were important rules and values to practice, Phoebe remembered that being **respectful** in the classroom to others and our classroom materials is important. We also talked about being honest and the rules of our classroom.

This year on Thursdays, we will be learning new words and phrases in **Spanish**. While practicing at circle Kiger said, "I loved learning the numbers in Spanish!" We also learned our Spanish greetings, the different **colors**, and the days of the week. Overall, this last month was very **exciting** for us! We've all enjoyed getting to know one another and the kids have adjusted wonderfully to being in a new classroom.

Throughout the month of October we will be exploring our **imagination**s even more as we dive into the world of **fairytale**s. Our Treehouse friends will delve into the **fantasy** world by creating their own fairy tales and learning of new ones as well. We are excited to let our imaginations take us to fun, inspiring, and adventurous places!

We will continue our Spanish on Thursdays, and writing in our ABC and writing journals weekly. On Saturday, **October 3rd** we will have our Happy Harvest at **D&D Ranch**. We hope to see you all there!!

Have a Spooky October!

Ms. Brandi, Ms. Emily and Ms. Erynn
