

# Big Seed News

Happy November! The Big Seeds have continued to move, grow, walk, crawl and wiggle their way around the room and yard. It is so much fun watching them **learn** new things and interact with each other. This last month, they all seemed interested in books and would carry them around, sit down and **read** them and even hand one to a friend.

Last month we saw lots of **pumpkins**, big and small! This month we will see lots of **TURKEYS**; silly ones, happy ones, serious ones, and even sleepy ones too! **Please be sure to bring in some pictures of your silly turkeys (individual pictures of your kids and family members being silly) as we will be making Silly Turkey Family posters!** Also, please bring in pictures that you don't mind being cut. Thank you in advance for bringing them in.

Sign for the month:

**Turkey:** place the "Q" hand (pointer finger and thumb parallel to each other and pointing downward) under the chin and shake it back and forth. This represents the wattle of the turkey.

Chant of the month:

A turkey is a funny bird,  
His head goes wobble wobble.  
He knows just one word,  
Gobble Gobble Gobble

Big Seed Happenings: **Parker** has joined our group and is learning our routine. He loves to dance... whenever he hears music or someone singing, he rocks his body! **Decker** is a big 1 year old now and is busy walking around our room. He loves watching the birds and the leaves in the trees too! **Jameson** is getting use to our routine and loves balls! He likes to throw and kick them! **Zaccai** has also adjusted to our routine. He is full of smiles and has really enjoyed playing with the leaves in the yard. **Noah** loves to climb on the boxes and look out the window with **Owen**. They have lots of smiles with each other as they are on the big box. **Serena** has been enjoying time at the sensory table scooping and dumping rocks. **Hayden** finally found Chloe our spider

and said “spider” every time he saw her. **Lucas** enjoys being outside and watching the cars and trucks go by at the fence.

Although we begin to see lots of snow and rain this time of year, we still continue to go **outside** every day. We do take the time to dress each kid in snowsuits, hats and mittens, so please bring in the **cold weather gear** for your child. Wednesday, **November 11<sup>th</sup>** is the day for our Fall Conferences; please be sure to sign up for a slot as we would enjoy meeting with you! The center is **closed** to children that day and will also be closed for the Thanksgiving Holiday on **November 26<sup>th</sup>** and **November 27<sup>th</sup>** - hope you enjoy some quality time with family and friends! And don't forget to mark your calendars for our annual GT **Sing-A-Long**...Monday, **Dec 14!**

We're in need of **plastic bags**...if you have any, would you mind bringing them in for us. Thank you!

As always, please let us know if you have a question, concern, or even praise. We do like communicating with you.

Miss Mary and Miss Sharla
