

“Time spent playing with children is never wasted.” – Dawn Lantero

Sprout Too News

Last month our theme was “Ice Cold.” We brought in real snow to play with and placed it in buckets. **Ida** and **Zoe** used watercolor paint to add to the snow to make it pink, and **Mason** and **Scarlet** added green to their snow pile. It was a fun yet cold activity...Brrrrr! We also made penguins using the sprouts footprints, did white finger-painting to make snow storms, and sponge painted snow cap trees.

Our new Sprouts are doing so well! **Noah** loves to climb and build with blocks. **Serena** enjoys story time and likes to play dress up with her friends. **Garrett** has fun playing with dump trucks and doing art projects. **Zaccai** likes singing songs during circle time and washing his hands in the small sinks, and **Hayden** can be found playing in the toy kitchen and looking at books.

This month our theme is “**SomeBODY loves me**”. During art time we will make handprint hearts, do a footprint stomp with paint, and color with red **crayons**. Circle time **books** will be, “You are my cupcake”, “Best Ted” and “The big red book.” Songs we will sing are, “Head, shoulders, knees and toes”, “ Skidamrink” and “Where is thumpkin.”

Have a wonderful February!

Ms. Kelcy and Ms. Kayla
