

# Bud News

This month we learned all about **endangered** animals. Our story for the month was, "Panda bear, Panda bear What Do You See?" written by Bill Martin Jr. The Buds enjoyed telling the story to their friends and following along with the story via the beautiful **artwork** they created on the walls. Each time we read the story, we'd have to stop on each page of the book so they could say, "We made that animal" and then they would point to them. The Buds were very proud of all their work and so were we! During circle, Mrs. Deborah asked the Buds, "What are these **animals** called?" Smith replied, "Endangered animals." She then asked, "What does endangered mean?" and the class shouted out, "Not very many left." We also talked about what these animals like to eat and every time we came to the macaroni penguin Elizabeth said, "macaroni" and the friends would laugh and say, "no, they like fish."

Our new friends are sure **adjusting** well. Kipton and Lincoln's favorite thing to do this month was to go fishing in the sensory table. Finn and Andie loved playing with all the animals in the adventure center and Raya enjoyed driving the cop cars outside.

This month we also learned all about **Cole C.** and **Quinn**. Cole's favorite color is purple and he has a hot wheels and rock collection. Quinn's favorite place is the pool and the **beach** and she loves to eat cake and cereal.

Our theme for February is **Pets & Hearts** and we'll be reading, "The Poky Little Puppy" by Janette Sebring Lowrey. This book is about puppies learning to use their listening ears. This was one of Mrs. Deborah's favorite books when she was little, so I hope the Buds enjoy it too. The Buds will also be working on counting, sequencing, and building vocabulary.

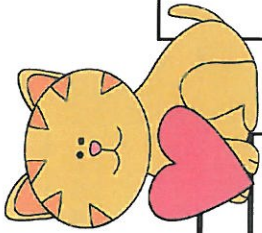

**Valentine's Day** is here! If your child is going to bring cards to give out, please only write your child's name on them, this makes it easier for the Buds to put them in the Valentine's boxes. We have 23 friends in the Bud room. Also, please no **candy**; we will be having a special treat that day.

We need **cereal boxes** to make our Valentine's holders by Feb. 8<sup>th</sup>, so please feel free to donate some. ☺ As always, please contact us with any questions or comments.

Thank You!

Mrs. Deborah & Miss Letty
