

Sprout One News

Howdy ya'll!!! Welcome to the **Sprout Farm**. As you walked in, you may have heard **Jaxon** singing Old McDonald and making the best neigh and moo sounds around. He tried to get other friends to join him, but they would give him a 'you're silly' look instead.

Our Sprouts enjoyed the books and songs during circle time this month. When we would read the "Big Red Barn", **Addison** would point to the animals and tell us who the Mommy was and who the babies were. When it was time to sing our circle time songs, **Grey** would begin singing in his regular voice, but would become louder and more excited as the song came to an end. **Bridger** made a great tractor sound when he sang "Down on Grandpa's Farm." **Cate** loved to jump up and dance during the song and when the song came to an end, she would put her arms out and smile.

The Sprouts also enjoyed playing with the different size farm animals and barns. **Brody** would put the animals in his truck and tell us, "I take them for a ride." **Hailey's** favorite animal on the farm was the kitty cats. She would take all the small cats out of the animal farm bin and tell us, "I take my meow meows shopping." **Owen** has been trying to use his language more. He makes a great cow and dog sound. You could hear him sitting on the floor mooing and barking. He also loves to make a vacuum with the connector tubes. He zooms around the room pushing it around the floor and making a vroom sound. The farm puzzle also had a special part in our day. As we would turn off the light for nap you could hear a moo or cock-a-doodle doo. It was as if they were telling the sprouts to have a great nap.

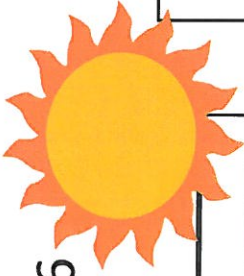

In April we will be enjoying the sunny & warm welcoming of **springtime**...we hope! The sprouts will be making all kinds of crafts that are full of springtime fun, and will also be exploring textures and smells of spring flowers. It ought to be a springy fun time.

Just a few little FYI'S for you. We will be having our **spring conferences** on **Wednesday, April 20th**. As the date gets closer, there will be a sign up sheet located at the front desk for you. Also, please make sure your sprout has a warmer winter coat and a lighter spring coat. It is a little cold in the mornings for a light coat, but by the afternoon, it warms up and a lighter coat is needed.

If you have any questions or concerns, please feel free to come talk to us. Happy Spring and have a wonderful April!

Thank you,
Julie, Teresa and Kelley
