

Sprout Too News

Baa! Moo! Oink! Quack! Just a few animal sounds the Sprouts made during our **Farm Fun** theme last month. During circle time, **Scarlet** and **Zaccai** really enjoyed singing "Old MacDonald". We also read, "Barn yard dance" and **Noah** and **Hayden** loved stomping their feet and clapping their hands!

Muddy pigs was a fun filled art project. **Serena** had brown paint all over the place and said, "Mess, mess!" At the sensory table, **Mason** and **Ida** enjoyed scooping up rice with their Easter eggs. The eggs made great shakers with rice in them. Free play activities included playing with the toy Barn and doing farm puzzles. **Garrett** mastered doing the puzzles by himself, and **Zoe** was all about the toy barn. She liked to play with the cow and the horse...Neigh!

For April our theme is going to be, "Stop and Go." We will paint yellow buses, color cars and make airplanes in the sky! Circle time will include songs like, "Wheels on the bus", "Row, row, row your boat" and "Down by the station." Books we'll read are, "Truck Jam", "The seals on the bus" and "Big Blue Truck."

We're happy to announce that Sprout too has a new teacher, Ms. Kristine! She will be working 8:15am-5:15pm. Spring has arrived and we're starting to see some warmer weather. Along with a heavy jacket for the mornings, please bring in a light weight jacket or sweatshirt for the afternoons. Thank you!

Happy spring!

Ms. Kelcy and Ms. Kristine
