

“A person’s a person no matter how small.” –Dr. Seuss

Sprout Too News

We went **deep sea** diving in June and learned all about ocean animals. The sprout room’s favorite sea creature was the **seahorse**! Our artwork included painting green sea turtles, coloring gray sharks and making handprint red crabs. One day we even made paper plate fish and used bubble wrap to make prints on them. **Mason** pointed to the fish and said, “Bubble, bubble, pop!” **Noah** got the paint all over his hand and said, “Paint!” While dancing to the song Baby Beluga, **Scarlet** and **Hayden** held hands as Scarlet sang along! **Zaccai** is really starting to talk! He sang the dinosaur song all by himself during our afternoon circle time... super cute! *Slippery Fish* was another favorite song and **Garrett** and **Serena** liked making all the motions that went along with it. **Ida** and **Zoe** have both been having fun slashing around in the water table outside and inside! It is a great way to cool down when the temperature rises. These Sprout Too kiddos are growing up right before our eyes and they’re really starting to use their words; we’re so very proud!

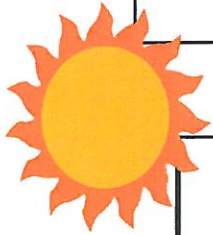

This month’s theme is “**Fun in the Sun!**” Activities will include making bright colored flowers, painting yellow suns and making watercolor kites! During circle time we will read, “Bee Me,” “Summer Days” and “Corduroy goes To the Beach.” Our songs include, “You are my sunshine,” “Oh Mr. Sun” and “Row, Row, Row your Boat.”

If you have an extra swim suit for your child at home, we would love for you to bring it in and leave it at school for water play outside. This way we can avoid any wet clothing. If not, please make sure your child has extra clothing in their basket. Thank you so much!

Friendly reminder, we are closed **Monday, July 4th**. Enjoy the month of July! Fun, fireworks and family time!

Ms. Kelcy and Ms. Kristine

Jul-16

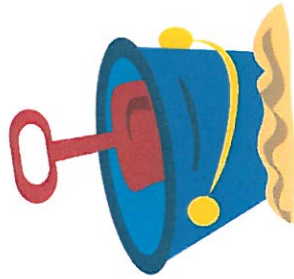

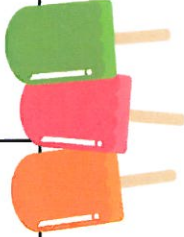

Fun in the sun!

PM Activities

Notes:
This Month's Books:
<i>Bee Me</i>
<i>Corduroy Goes to the Beach</i>
<i>Down By The Bay</i>
