

# Sprout One News

Where Oh Where has our summer gone? We can't believe that it's August and we only have a month left until the new Sprouts start and our older Sprouts move to the Bud room. Where does the time go?

In July we had a great time, "Going to the Beach." The Sprouts enjoyed pretending to play in the sand and swim in the ocean. **Addison** would always tell us, "I go to beach and splash in ocean." We made many sea creatures for our ocean and lots of fun things that you use in the sand. At circle time we read about animals in the ocean and sea creatures in the bath tub. We also sang all about the animals in the ocean which included a color fishing song where the sprouts got to use a magnetic fishing pole to catch the fish. **Bridger** would make sure that he always caught the orange fish and when he caught it, he would smile and say, "I got orange fish."

During activity time we played with sea animals and dug in glittery white sand. **Owen** and **Grey** loved digging in the sand and covering up the animals. When they were done covering them up they would both say, "Where they go?" Singing and book reading are also favorites in our Sprout room. **Hailey** will finish reading a book and instantly start singing, "Slippery Fish." **Jaxon's** routine is to sit on the floor, read a book, set it aside and then sing out loud. He loved to sing "Slippery Fish" too, but sometimes would forget what animal came next. He would then get a thinking look on his face and say, "Oh yeah, ocapus ocapus swimming in water." Our new Sprout friends also love to sing and read books. **Lucas** enjoyed looking at the books and then singing, "Got red fish." **Jameson** would hold an ocean book and try to sing, "Slippery Fish." He would say "Fishy oh no" and then cover his mouth. **Quin** really enjoyed playing with the stuffed fish in the dress-up area. She would fly them around the room singing, "Fishy in sea." We all enjoyed our time at the beach and can't wait to go on our next adventure!

In August we will be going to "Camp Sprout." We will be reading about summer days, bear hunts and berries. The songs that we will be singing will be about camping and bears. We will be making camping and music crafts to go along with our theme. It is sure to be a rock-in good time.

Thank you to all the parents that brought in bathing suits. They love putting them on and splashing in the water. If you haven't brought in a suit yet, there is still plenty of time to do so. We will be doing lots of water activities outside and splashing and getting wet is all part of the fun. Bringing in a bathing suit also helps lessens the amount of extra clothes we use. 😊

Just a little FYI, Nana Julie and Ms. Teresa will be on vacation August 15-19. As the date gets closer, a note will be posted on the door for who is subbing for them. Thank you once again for all you do. If you have any questions or concerns, please feel free to come talk to us.

Have a great August!

Teresa, Kelley and Nana Julie
