

“Tell me and I forget, teach me and I may remember, involve me and I learn” -Benjamin Franklin

Sprout Too News

Winter really came to stay in Bend! A lot of us are saying snow, snow go away! It really is beautiful though. The sprouts really enjoyed our outside time. They liked climbing up onto of the snow mounds, sliding down and shoveling snow into buckets. We have our own **Mount Bachelor** on the playground! Thank you everyone that has helped clear the large amounts of snow, bringing in sand bags and everything else it has taken to keep **Growing Tree** open and safe for all the children and teachers! We appreciate it.

Last month we welcomed **Reed** to Growing Tree! He comes on Mondays and Tuesdays. So far we have learned he loves trains, snow plows and airplanes. Our theme was “Ice Cold.” **Soren** and **Decker** enjoyed cotton ball painting. **Adelyn** had fun making snow tracks with a toy truck, **Teagan** like gluing a face on her paper plate snowman! **Parker** is taking off his shoes and

putting on his snow boots all by himself! We brought some snow inside to play with; **Boden** would scoop the snow onto his shovel and dump it into a cup! It was nice and cold! He stands up and says "Boots on!" **Kellen** and **Knox** are getting use to our routine in the Sprout Room. They both enjoy building with blocks and playing with the toy cars! They have grown so much in their first month as a Sprout. They: put their blankets away after nap time, drink out of cups without lids and help clean up the toys! Since we were stuck inside for a while the hallway became a basket ball court! It was nice to get out of the classroom and burn off some energy.

This month our theme is "**SomeBODY loves me.**" During art time we will make handprint hearts, do a footprint stomp with paint and color with red crayons. Circle time books will be "You are my cupcake", "Best Ted" and "The big red book." Songs we will sing are "Head, shoulders, knees and toes", " Skidamrink" and "Where is thumpkin."

Have a wonderful month of February! 

Ms. Kelcy and Ms. Kristine

Feb-17

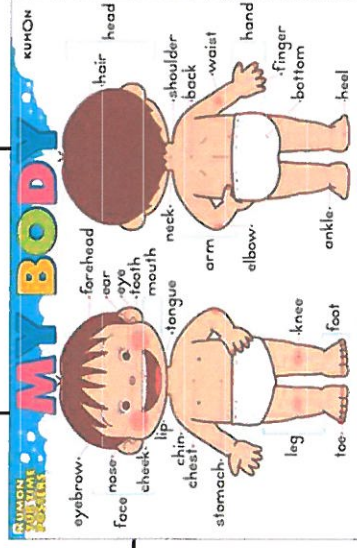

PM Activities
