

Bud Room News

The Bud room was transformed into a jungle in January. We read Panda Bear, Panda Bear What Do You See? At circle we talked about the word endangered. By the end of the month the Buds knew the definition and **Grey** would say, "We have to take care of our animals". We also talked about what the animals like to eat. **Bridger** said, "sea lions like to eat fish". The Buds enjoyed playing with all the different animals in the adventure center and dressing up like explorers. **Addison's** favorite object was the binoculars. **Jackson** really enjoyed taking pictures of the animals with the camera.

At the art table this month we made all the animals from our story and hung them all around the room. The Buds enjoyed looking and pointing to each of them as they read the story in the book center. **Ida** would said, "we made one of those" pointing to the book then the wall with a big smile. They are all so proud of their work.

This month we learned a little more about Thea and Jaxon. **Thea** has a little brother named Nick who's 11 months old. Her favorite sports are swimming and working out at the gym. **Jaxon** has a dog named Ranger. His favorite toys are horses! But he does also enjoy feeding, walking, and taking care of real ones.

Our new friends have adapted very well into the Bud Room. **Zaccai's** favorite toys in the room are the cars and trains. He loves building the tracks. **Hayden's** spot to be is the sensory table. He enjoyed playing with the little animals. **Owen** likes the home center, making food for his friends and taking care of the babies.

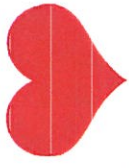

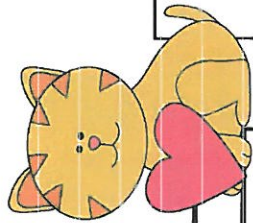

This month we will be reading The Pokie Little Puppy, written by Janette Sebring Lowrey. It is a story about a few puppies that learn to use their listening ears. Our theme will be pets and hearts. The Buds will work on counting, sequencing, and building vocabulary.

Valentine's Day is Tuesday the 14th, if your child brings cards please make sure to only write their names. It is easier for them to deliver to their friends. We have 21 friends in the classroom. Also, please no candy; we will have a special treat this day.

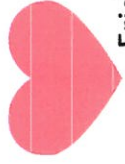

As always, please feel free to contact us with questions or comments.

Miss Deborah & Miss Letty
