

“Play is our brains favorite way of learning”

Sprout Too News

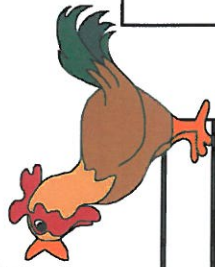

Last month our theme was **“SomeBODY loves you.”** A theme that combines Valentine’s Day and body part crafts. **Adelyn** painted a beautiful paper heart with watercolors. **Soren** and **Decker** both enjoyed making face collages. **Boden** and **Teagan** had fun painting with red paint and shaving cream...SO messy but a great use of those chubby hands! Our favorite song this month was “Head, shoulders, knees and toes!” We sang it slow and then fast, **Parker** would stand up and say “Fast!” That was his favorite part. **Kellen** and **Knox** have been all about the trains and tracks. Trying to put the tracks together can be tricky but they both work hard to do it on their own!

March is **“Farm Fun.”** Some art activities will include muddy pigs, paper plate roosters and farm animal tracks. We will read **“Animals on The Farm,”** “Stuck in the Mud,” “Click, Clack Moo” and “Farm.” You will hear us serenading the animals with “Old MacDonald,” “Baa, Baa Black Sheep,” “Farmer in the Dell” and “BINGO.”

Friendly reminder: Please check your children’s file. It gets full and may contain important items. Thanks!
