

BUD ROOM OCTOBER NEWSLETTER

It has been an amazing start to a new fresh school year. It didn't take long for all the Buds to settle in to our routine. They are all doing a great job and we are going to have so much fun this year! We read "Brown Bear, Brown Bear, What Do You See?" The Buds enjoyed listening and interacting with felt animals along with the story. **Elin** and **Soren** loved singing along to the "Bear Hunt" song and making up their own versions by using different animals that they played with.

Our art this month was all about colors. We recreated all the animals from our story; brown bears, red birds, yellow ducks etc. while exploring many different paint mediums. The buds favorite art had to be rolling a marble around the bucket to paint our blue horses. **Decker** said, "The ball rolls fast" as he shook his bucket around. The bumpy green frogs were fun too. **Finn** said, "frogs hop hop" as he painted his frog. The Buds proudly found their art on the walls by pointing it out to their friends. We also learned the rainbow song, and talked about everyone's favorite color; **Quin's** favorite color is red and **Parker's** favorite color is orange.

The sensory table was one of **Bodhi** and **Rory's** favorite activities. It was full of colored bears and different textures like beans, rice and even water. In the adventure center bear cave **Charlie** and **Josh** put all the bears inside the cave and laid down with them. "Shhhh..the bears are sleeping." **West** took food in the cave to feed the bears and **Elin** read the bears stories. Outside the Buds ran around pretending that bears were chasing them. They had a lot of fun this month with bears!

The Buds enjoyed exploring the different centers set up throughout the room. **Parker** and **Josh** loved the big dinosaurs and building towers for them to knock down. **Decker** and **Bodhi** loved talking on the phones in home center. **Sookie, Evelyn** and **Quin** spent a lot of time taking care of the babies in home center. **Finn** and **Wyatt** liked making trains and putting tracks together. **Lucas** and **Soren** enjoyed using play dough and sticky foam. **West** loved riding Tomas the train outside. It has been a great month getting to know all these Buds and what they like to do.

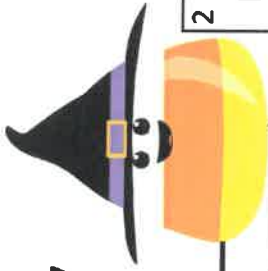

The all about me board featured **Lucas** and **Decker** this month. Did you know that **Lucas** loves ribs, broccoli and birthday cake, and his favorite toys are tractor toys. **Decker** loves to play soccer and his favorite places are grandpa's house and the airport.

In October we will be reading "The Little Old Lady Who Was Not Afraid Of Anything" by Linda Williams. This story is about an old lady who runs into all different kinds of clothing on her walk through the woods. And at the end puts them all together to make a scarecrow. The Buds will be working on sounds, sequencing, building vocabulary, and feelings. Our study this month is **Pumpkins**, which means we will be doing a lot of pumpkin activities! It's going to be a fun time. Remember, school pictures for the Buds happen on Thursday, October 5th and class pictures are scheduled for Friday, October 6th. We hope to see you all at the DD Ranch on Saturday October 7th. We wish everyone a fun and safe Halloween.

Please feel free to contact us with any questions or comments. Thank you.
