

Sprout 1 News

Well the new school year has started off with many happy smiles (most of the time). Our new Sprouts are having fun exploring the new room and our alumni Sprouts are being great helpers with their new friends.

In September we went **To Market, To Market**. The Sprouts enjoyed the books and songs at circle time. Eleni sang every song; she has a great little voice. Her favorite song to sing was "Apples and Bananas." Art time found us creating different foods and containers to carry them in. Reece enjoyed all the food art projects. When she finished her art she would say "I did it!"

Many new activities were available to the Sprouts this month. Chloe and Meera thought the dress-up area was the best. Chloe pretended to make dinner and feed it to her babies. Meera enjoyed putting the food in the basket and telling us "I shopping." Ellie felt comfortable sitting in teacher's laps and reading the food books. Emmett enjoyed pretending to take a bite out of the apple and then throw it across the room. He is so silly. Pierce had fun making necklaces with the wooden fruit beads and then says "Neck why?" He just loves that why word. Wesley and Amelia were great helpers with their new Sprout friends. Wesley gave them a tour of where to put toys at clean-up. He would point to the shelf and say "It go here." Amelia was a big helper guiding her new friends to circle time. She would point to the rug and say "Circle here now."

When there was no smoke in the air, the children loved being outdoors. The sandbox, which was new to most of our Sprouts, was the most popular area this month. They loved taking their shoes off and squishing their toes in the sand! It was a great first month and we can't wait to see what fun we will have in October!

Next month we will be celebrating "**Fall Harvest.**" During circle we will explore all things Fall, including pictures, songs and books. Art time will find us using the colors of Fall to create beautiful leaves, pumpkins, and pinecones to name just a few. If you have any fall items that we could explore, please feel free to bring them in.

Sprout 1 News

We would all like to say a fond farewell to Amelia and Wesley who will be moving over to the Bud room. We will miss you both. We would also like to welcome a few new friends to the room. Welcome Alex and Cash. We are looking forward to seeing what fun you will both have in the Sprout room.

Please make sure you check that your Sprouts extra weather appropriate clothes now that the days are getting cooler.

If you have any questions or concerns please feel free to come talk to us. Have a great October and a safe Halloween.

Thank you,
Teresa, Amy and Nana Julie
